Material Safety Data Sheet

According to 91/155/EEC and ISO 11014-1

Printing date: 2011/01/16

Page: 1/2

1. **Identification of substance and of the company**

   **Trade Name:** PIGMENT YELLOW 139
   Hangzhou AiBai Chemical Co., Ltd
   Room 2316, Building 17 Kaiyuan California Sunshine Plaza
   Xiaoshan Hangzhou China
   TEL: +86-571-22673158   FAX: +86-571-83885208

2. **Composition/Data on components**

   Substance: Pigment Yellow 139  
   CAS No: 36888-99-0  EEC Symbol: None  R-Phrases: None

3. **Hazards identification**

   No hazardous effects known
   The product is not a substance subject to mandatory marking in accordance with the EEC Directive 67/584/EEC Or amendments

4. **First Aid measures**

   After inhalation: Supply fresh air.
   After eye contact: Flush with plenty of pressure water for 15 minutes, occasionally raising eye lids.
   After skin contact: Wash skin with mild soap and water.

5. **Fire fighting measures**

   Suitable extinguishing media: no restriction
   Special hazards caused by the material, its combustion products or resultant gases: none
   Special personal protection equipment: none

6. **Accidental release**

   Environmental protection conduct: Do not sweep or wash into public stretches of water, sewers or sites of unknown discharge paths.
   After spillage/leakage/gas/leakage:
   Clean up immediately with wetting or absorbent material avoiding dusting.

7. **Handling and storage**

   Handling:
   Usual precautions for nuisance dust should be observed.
   Protection against fire and explosion:
   The product is non-flammable
   Storage:
   Store in roofed places at room temperature Keep containers tightly sealed.
   Flammability Class: non applicable.

8. **Exposure controls/personal protection**

   Additional notes for design of plants equipment:
   No farther details, see sec7
   Components with workplace-related limits to be monitored:

   Personal protection equipment:
   Respiratory protection:
   An appropriate dust fixer has to be used if a breathable dust liberated.

10. **Stability and reactivity**

Hazardous decomposition products
No decomposition at proper storage and application conditions

11. **Toxicological Information**

Because of experience with product mentioned, there are no recognizable hazards for human beings, if it is correctly used and applied.

12. **Ecological information**

Avoid filtration into waste draining or soil.

13. **Disposal considerations**

Uses should acquaint themselves with local regulations.
Disposal is usually carried out by burying at an approved tip or by incineration by a licensed waste material processor; stack gases may need to be scrubbed (see section 5 above)

14. **Transport information**

No declaration for transport required.

15. **Regulatory information**

Classified according to the Directives 67/548/EEC, and their various amendments, and labeled as below:

- **Warning symbols:** None
- **Warning words:** None
- **Risk Phrases:** None
- **Safety Phrases:** None

16. **Other information**

Listed in EINECS and TSCA inventories.
Intended uses: Paints.
